- All high priority tests have passed

Other details

- Environment
- Should run on any browser and be fully functional
- Chrome is the recommended browser

Testing

Test Case

This test will verify that the "See all bots" button works and displays all the bots

Steps

1. Navigate to [Duel Duo](#)
2. Click on the "See all bots" button
3. Confirm that you can see the listing of bots available

Activity:

Clicked on see all bots button did not result in a list of bots

Sudha Krishnamoorthy

11/5/2022 Execution environment:

Browser: Chrome version 106

OS: Windows 10

Bug Report

Description: The "See all bots" buttons is not working

Steps to reproduce

1. Navigate to [Duel Duo](#)
2. Click on the "See all bots" button

Expected result

- All the bots should be listed and seen

Actual result

- Nothing happened when the "see all bots" button was clicked. No bots were listed or seen

Environment

- Chrome version 106
- Windows 10
